Best offline quran app for android. Best english quran app for android.

Quran Apps for Android: You can not keep the Holy Quran with you all the time. Since the world of smartphone applications has started, you can carry religious texts anywhere. Whether you are traveling, wherever you are, you can read the Holy Quran somewhere and read it. Today I have brought you the Best Holy Quran Application from the Google Play Store which you can download and read the Holy Quran anywhere. There is also an application in which you can listen to the audio, translate it in a different language, store offline in your mobile phone etc. 10 Best Holy Quran Apps for Android Smartphone Al-Quran FREE Quran for Android iQuran Lite Al Quran (Tafsir & by Word) Holy Quran (Read Free) Holy Quran (16 Lines per Page) Quran Hindi MP3 Quran Quran English Quran Majeed Click on the screenshot to download the application 1. Al-Quran FREE [appbox googleplay com.isysway.free.alquran] This is the first demanded application in my list. In this, you can translate into any language. Like any other application, you can save any part in your favorite list. The option of customization is also given in this app like changing the text font smaller or larger, changing the style of reading etc. If you are running this app in a tablet or in a small phone, the developer has the ability to zoom the app. I will take this App to the initiative to download. The search option is also given in this app as you search for Verse and Sarah. You can easily share Verse and Sarah with your Facebook, Twitter friends. There is a Memories feature that works in two levels. The first level is the Ayahat (Verse) that you can hear at the second level. It has the advantage that you can easily understand the pronunciation of Verse. Price: Free Rating: 4.6/5.0 Developer: ISYSWAY Requires Android: 4.0 and up Read More: Nfl.com/activate On Roku 2. Quran for Android [appbox googleplay com.quran.labs.androidquran] In this application, the developer adds new features to every update. In this, special features such as clear Madani images, booklets Audios, bookmarks Ayah, sharing with your social friends etc. Like other application, you can translate it into 30 languages. Only five new Quris have been added to this app, such as Doctor Ayman Suwaid, Sheikh Abdurrashid Sufi, Sheikh Abdulaziz Alzhrani, Sheikh Husari's Broadcast, Sheikh Mustafa Isma, etc. There is also a full-screen option by going to Settings. From this, you can stop any distraction while reading. When you select any part, the options are displayed in it, in which you can translate, share it on social media, and even search on the internet etc. Price: Free Rating: 4.7/5.0 Developer: quran.com Requires Android: 4.0 and up 3. iQuran Lite [appbox googleplay com.guidedways.iQuran] This app comes in two versions, with a free version and other is paid version. The paid app was sold for $ 6.99, but its price has been reduced to $ 1.99. The basic language of this Quran is Arabic language but you can also translate it into other languages. Features: In this app, you can listen to the verse by verse audio, color code pronunciation, Bookmarking any verse, as well as the translation of the English language is its special features. If this app takes the permission of your phone's storage. If you bookmark any verse or save the download then it gets saved in your phone's storage. I want you to definitely download this app. Do not miss it. Price: Free/$1.99 Rating: 4.7/5.0 Developer: Beehive Innovation Services Requires Android: 4.0 and up 4. Al Quran (Tafsir & by Word) [appbox googleplay com.greentech.quran] This app is a multi-function app of the Greentech Apps Foundation. You can download this app on the Google Play Store in the free version. In this Quran, the developer has also given the option of the theme in which you can put your favorite themes on. Features: In this verse 8 Arabs have been given in the Tafsir, In which the Ibn Kathir and Tabari are given. As the color is implemented in the Qur'an, the color code Tajweed has been given in this app. You can easily take note of any Ayah in your phone. You can translate this Quran app into Hindi, Bengali, Chines, French, German, Italian, Russian, Spanish. Urdu, Telugu, Tamil, languages. Price: Free Rating: 4.8/5.0 Developer: Greentech Apps Foundation Requires Android: 4.0 and up 5. Holy Quran (Read Free) [appbox googleplay com.sahell.holyquran] When reading this Quran, you will feel like you are reading the Quran in the real. The crystal clear page has been given in this Quran, which looks like a true Quran. You just have to swipe to move from one page to another. Very simple. Features: In this app 114 Sarah has been divided into parts. If you close the app, whenever you open the app again, it will open from there again, where you stopped reading. The size of many applying apps becomes very big, but the size of this app is only 38MB. I think you must install this Quran app on your phone. Price: Free Rating: 4.8/5.0 Developer: Sahell Requires Android: 4.0 and up 6. Holy Quran (16 Lines per Page) [appbox googleplay com.fanzetech.holyquran] It has 16 lines per page. It looks as where the Muslim brothers and sisters have read in another religious institute. Features: You can access any solicitation directly from the index page. There's a quick toolbar on the side that lets you save the bookmark, run the night mode, change the page's colors, etc. You can easily change the colors of any fonts written in the app. Sajdah Ayat highlighted with green color. The most special feature I thought was that if you are reading this, then your phone's light will not turn off. Like the Android app, you will not have to turn the lights on again. Price: Free Rating: 4.8/5.0 Developer: Fanze Tech Requires Android: 4.0 and up 7. Quran Hindi [appbox googleplay com.martinvillar.android.quranhindi] This app is very successful for users who have a knowledge of Hindi language. By the way, you can translate the Arabic language into the Hindi language in the others Quran app too. But in this, you will find all the Quran only in the Hindi language. Features: If you stop reading anywhere when the Quran opens again, then it will open on the same page again you left. In Abdullah Basafar's voice, listen to the Arab recitation easily. If you want to copy any Ayat to your phone, then for that you have to select and copy it and you can keep it on any notepad or clipboard later. There are no ads given in this Quran. You can download all the recitations by just one click. Read Quran in Landscape and Portrait Mode. Price: Free Rating: 4.6/5.0 Developer: Digital Purchases Requires Android: 4.0 and up 8. MP3 Quran [appbox googleplay appinventor.ai_hamada_yousef_o.MP3Quruan_2] What if you listen to the Quran only in the audio? Just put the headphones, play the Quran, enjoy your life. With the help of this app, you can listen to any verse of the Quran. There is such a thing that you are listening to the Quran and have been reading it together. It is possible in this app. This is for those who understand the meaning of the Quran and only want to hear the Quran. More than 100 reciters have been added to this. Price: Free Rating: 4.6/5.0 Developer: Ultimate Vision Requires Android: 4.0 and up 9. Quran English [appbox googleplay com.andi.alquran.en] More than half a million of this app has been downloaded. This app has been translated into Arabic to in English. Those who understand the English language, they will read the Quran easily. I use this app personally. Features: In this Quran 114 Surah and 30 Juz have been added. You can read this in both Landscape and Portrait mode. You can copy and paste any word on your social media profile. The special feature of Location Direction has been added to it as if you have to go to Qibla, this app tells the location. Hijri calendar, Listen audio, Prayer time, Translation of any word etc. Its features are. All these features are also available offline. Price: Free Rating: 4.6/5.0 Developer: Andi Unpam Requires Android: 4.0 and up 10. Quran Majeed [appbox googleplay com.pakdata.QuranMajeed] The Indo Pak script has been added to the latest version of this app. Special mention of Ramadan's timing is also given in it. Famous resorts of the world like Sheikh Abdul Basit, Sheikh As Sudays & As Shraym, Mishari Rashid, Saad Al Ghamdi, Abu Bakr Shatry, Sheikh Ahmed Ajmi, Sheikh Al-Huzaifi, Sheikh Mahir-al-Muayqali, etc. have been added. Features: It has 6 colors themes such as Green, Blue, Classic Green, Night mode, Light and Brown etc. Regarding the translation, you can translate it into 4 different types of English and 45 other languages. The audio pack of the language of the English and Urdu languages has been specially given in this app. I found this app great I have used it. You must also install it once on your phone. Price: Free Rating: 4.8/5.0 Developer: Pakdata Requires Android: 4.0 and up This was the list of Best Quran Apps for Andoird. That's what I found the best application on Google Play Store. These Quranic applications will benefit people of all languages. We have an added rating of each application and and write price of apps below each one of the apps lists. Enjoy List of the best appsPaid: $6.99Quran Reader HD is a Quran reader app for iPad, where you will be able to read or listen to the Words of Allah.
